LEE COUNTY MOSQUITO CONTROL

HON. FRANCIS ROONEY

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 17, 2017

Mr. FRANCIS ROONEY of Florida. Mr. Speaker, I rise today to recognize an important leader in our southwest Florida community.

T. Wayne Gale serves our community as Executive Director of the Lee County Mosquito Control District (LCMCD), one of the largest mosquito control districts in the United States, with a budget of \$23 million. LCMCD monitors threats posed by these insects and controls populations to reduce mosquito-borne diseases. Additionally, Mr. Gale serves as President of the American Mosquito Control Association.

This is a very important role as mosquito season approaches, given the threat of Zika in Florida. This dangerous mosquito-borne virus can have devastating effects on infected individuals and presents a severe risk for expectant mothers. The LCMCD is proactive in spreading awareness to our community to make sure citizens are informed about how best to prevent infections, and is one of the most advanced mosquito control districts in the country.

We are thankful for dedicated leaders such as Mr. Gale in our community, and appreciate his leadership in the mosquito control industry.

HON. ROBERT J. WITTMAN

Wednesday, May 17, 2017

Mr. WITTMAN. Mr. Speaker, I rise today to recognize the passing of Mr. James Gregory "Greg" Lewis of Reedville, Virginia on March 30th, 2017. Greg is survived by his wife, Donna Garber Lewis; two daughters, Kelly Lewis Minor, of Reedville, Virginia, and Amanda Lewis Stalnaker of Tappahannock; two brothers, Evans Lewis (Faye) and Larry Lewis (Janet); two sisters, Barbara Lewis Schools and Janice Lewis Zumot, and four much-loved

grandchildren, Corrie Minor, Cameron Minor, Jaxen Stalnaker and Brent Stalnaker and many nieces and nephews.

Greg graduated from Rappahannock High School in 1970 and from Smithdeal Business College in Richmond. He served the Virginia Army National Guard for six years. Greg established Little River Seafood in 1983 as an oyster and crab picking facility. With a strong entrepreneurial spirit, Greg grew the operations into an importer and distributor of his crabmeat and products and, eventually, included value-added products as well. Greg proudly served on the Richmond County School Board for 15 years. He was a Deacon and Trustee of Bethany Baptist Church in Callao, Virginia and was a member of The Gideons International. Greg also served as a member on the Virginia Seafood Council.

I had the pleasure of knowing Greg for many years and know his service to this nation and dedication to his community and church have impacted countless lives. Mr. Speaker, I ask you to join me in recognizing the life and honoring the memory of James Gregory "Greg" Lewis.

HONORING DR. JOHN S. OSTROWSKI

HON. JOHN P. SARBANES

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 17, 2017

Mr. SARBANES. Mr. Speaker, I rise today to honor Dr. John S. Ostrowski, a retired Navy Captain who will celebrate his 75th Birthday on May 28th. He has lived a life of service to his country, and has produced a legacy of continued service to our Nation through his family as a result of his example, inspiration and guidance.

As an officer in the United States Navy, Captain Ostrowski served his country honorably for 26 years as a dentist, with tours of duty on ship, ashore at various Naval Hospitals, and overseas in Guantanamo Bay, Cuba. He pioneered the use of dental implants in the U.S. Navy, and in the latter phase of his career, taught a new generation of Navy Dentists to prepare them for service to their fellow Sailors and Marines. Following his Navy career, Dr. Ostrowski opened his own private practice in Annapolis Maryland, which he successfully operated for over 25 years, providing services for the patients in his community. He was often known to provide his dental services for free to those in need—an expression of the importance he has consistently placed on charity and compassion to others.

Dr. Ostrowski and his wife Maeve raised five children—four sons and one daughter. His oldest son is a 28-year active duty Marine pilot who has achieved the rank of Colonel and served in Iraq, Haiti, Okinawa, and on multiple shipboard deployments. His second son joined the Navy, also as a pilot, attained the rank of Commander and commanded a squadron in

Oceana Virginia before tragically losing a battle with cancer. His 3rd son is an automobile mechanic who has owned and operated a successful auto repair business in Annapolis for the past 20 years. His fourth child, his daughter, has been a successful school teacher, principal and executive school administrator. She has recently pursued her entrepreneurial interests and founded a small business as a nutrition specialist and coach. Finally, his youngest son is a successful executive and partner in a financial services company.

His legacy has extended to his grandchildren, of which he has 21, with number 22 on the way this fall. Included in this number are 3 Naval Academy Midshipmen and a scholarship student at Temple University. High school baseball, softball, football and lacrosse athletes, student government representatives, gymnasts, and cheerleaders are counted among his other grandchildren.

On behalf of the State of Maryland, the County of Anne Arundel, and our constituents, I want to extend my heartfelt gratitude for Dr. Ostrowski's commitment to public service and inestimable contributions as a father, grandfather, dentist, Naval Officer, mentor, counselor, and advisor. Not only has he led an exemplary life of service, charity, and industry, but he has inculcated those same qualities into his children and grandchildren, thus perpetuating the highest ideals of service and citizenship in subsequent generations of Naval officers and his family. As he celebrates his milestone 75th birthday, I congratulate him on a life well lived and look forward to his continuing contributions to our communities, and wish him, his wife Maeve, his children and his grandchildren all the best in his years ahead.

IN HONOR OF THE YEARGIN FAMILY'S ACHIEVEMENT

HON. DAVID KUSTOFF

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 17, 2017

Mr. KUSTOFF of Tennessee. Mr. Speaker, I rise today to recognize Jay and Alice Anne Yeargin of Weakley County, Tennessee. The Yeargin's were named runner-ups in the Achievement contest at this year's Annual Meeting of the American Farm Bureau Federation in Phoenix, Arizona.

The Yeargins farm approximately 5,000 acres where they raise corn, soybeans, wheat, and cattle. They also host groups on their farm each year, including the Tennessee Governor's School for the Agricultural Sciences, to share the story of agriculture. The Achievement Award recognizes young farmers and ranchers who have excelled in their farming or ranching operations and exhibited superior leadership abilities.

Mr. Speaker, I am proud to have such a family as a member of our community and want to recognize them for their service to West Tennessee and to the agriculture industry.
